MOUNTAIN BREEZE

Published By The Journalism Class of

GREEN BANK HIGH SCHOOL

Green Bank, West Virginia

Foreword

The sands of time have shifted. This the Mountain Breeze for 1960 marks the end of another phase in our lives. As we bid good-bye to these hallowed halls, that have meant so much to us in the past four years, let us pause to look back on some of the activities and organizations that played such a large part in our lives during that time.

Perhaps at a future date when we pick up this book it will bring back pleasant memories and thus serve as a connecting link with past embodied with pleasure and a rich heritage.

To you the graduating class of May 1960 we offer this year-book which is a record of our last year at Green Bank. Its worth can only be determined by you, THE READER.

Dedicated To...

A man who has served in two capacities at G.B.H.S.--teacher and coach. A man who as a teacher leaves a memorable impression of his guidance and instruction. As coach, he has taught us that sportsmanship and honor come before victory. It is with pleasure that we dedicate this 1960 Mountain Breeze to Mr. Kenneth Sims.
